## LeoVegas completes acquisition of World of Sportsbetting Ltd

On 7 February 2018 LeoVegas announced the acquisition of World of Sportsbetting Ltd (Malta). LeoVegas today completed the acquisition and gained possession of the shares in World of Sportsbetting Ltd. The acquisition was made for cash consideration of EUR 2.6 m.

World of Sportsbetting Ltd (Malta), holds a sports betting licence and a casino licence in the German state of Schleswig-Holstein as well as an approved application for a sports betting licence in Hesse. An approved application for a sports betting licence allows a company to market sports betting throughout Germany.

The licences give LeoVegas greater credibility and legitimacy in the German market and enable access to payment solutions that are important in Germany. This is in line with the company's strategy to expand in regulated markets and gives LeoVegas the best possible conditions to further accelerate in Germany.

In connection with the acquisition, we also announced LeoVegas new ambassador, Lothar Matthäus, and the focus on LeoVegas Sport. Lothar Matthäus has a long and successful national team career behind him, making him a strong profile in the German sports community.

For more information about the acquisition, see the press release from 7 February 2018, which is available at [www.leovegasgroup.com](http://www.leovegasgroup.com).
